Business:

- **Meetings**

Earlier time and Tuesdays seems to be more suitable for all to have meetings. Meetings held at random, to suit need and persons attending.

- **J24 SSF AGM**

To be held Tuesday 16th October at RMYC at 1800. Quorum needs to be 5% of membership (currently 33). John Z happy to stay on as president. Proposal to have a publicity officer included in office bearers. Accepted by all. Audit of finances underway.

- **NSW J24 State Championship**

Scales: Decision to not pay to have boat scales calibrated. Mick R has access to John Crawford's scales, plus we have McKay's scales. To be available at states on request. Human scales – Mick R to provide, self-calibrated.

Registration on Friday 2nd Nov: Will need help with weigh-in/scrutiny of registration forms/J24 membership. Fiona, John Z and Rhonda will be available. Where to hold registration, as Friday nights back in operation? Near ice machine or sailing office? Request input from CSC.

Trophies: in possession.

Sponsors: Macquart Marine (vests), Wet Tech (prize), mysail (listing), McKay Marine (wet weather gear prize), Spot-a-Yacht, Boat Crew Gear.

PRO: need Bruce Swane's email address to send SIs for approval. Fiona to follow up.

- **J24 Worlds**

Tinto campaign successful: a 4th and a 6th out of the 10 races and 29th overall. Well done Tinto! Alex Cawsey at RMYC half way through meeting. Congratulations conveyed. Discussion on Tinto team doing a presentation at CSC with Nev Whittey included. To follow up.

- **Nationals**

No further input on where to be held. Potentially still Adelaide. Interest waning.

28 membership cards and 17 decals received from National Association.

- **Weather camera**

John Z approached to have weather camera installed at his home. He suggests that the old Fisheries building is a better option and less intrusive for his neighbours. John Z to follow up with his community contacts to see if this is possible.

- **Wednesday twilights**

RMYC invitation for J24s to participate in the Wednesday twilights. Potentially 2 boats.

- **Other business**

Current account balance \$358.95 (trophies the only expenditure).

Next meeting: AGM 16th October.

Minutes recorded by Fiona Campbell.
