Business:

- **States 2020:**

Wrap up. Less competitors than expected. Positive comments. Shirts a plus. RPAYC excellent. Loss of under \$700, mostly due to shirts and less competitors than anticipated.

Discussion re scrutiny of documents: who's responsibility?? Host club – insurance, AS membership, safety documents. J24 association – measurement certificate, association membership, crew weight. Suggest all documents to be submitted with entry, to J24 association as well as host club. Submission email address to be stated on NoR.

- **NJCA:**

No word from NJCA re increase in fees or discussion. Our suggestion to NJCA was to keep membership at current level of \$50 (\$30 to IJCA (60%), \$10 to NJCA (20%) and \$10 to local fleet (20%).)

Shelley at NSW J24 association said she was collecting \$60 for membership. This is on J24 website.

NJCA owed \$310, IJCA owed \$620 membership fees. Fiona to pay.

- **Finance:**

\$3048.68 balance

\$930 owed to J24 associations, \$47 owed to Dept Fair Trading for ongoing incorporation.

Current membership 31.

- **Other business:**

Financial audit done for free by neighbour. McKay constructing thank you gift.
